## BACK DOOR STORES

Tired of looking at your recycling and wheelie bins, The Posh Shed Company have the answer!

This triple unit comprises of two sections, each with a half height door, to house your wheelie bins and a third section, with almost full height door, to hold your recycling boxes. Or perhaps you need somewhere to have those all important parcels delivered to.

The sloping roof is finished with mineral felt. We have kept the eye line low so as not to detract from an attractive garden or driveway. The door comes fitted with a five lever lock and brass furniture.

Maximum height: 5ft 5in (1.7m)

Eaves height: 4ft (1.26m)

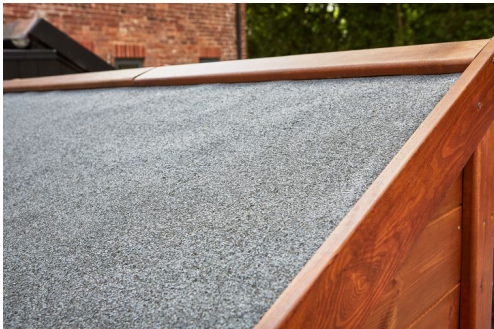

Depth, including overhang: 3ft 5 1/2in (1.05m)

Width, including overhang: 7ft 8 1/2in (2.35m)

Top of recycling store door height from ground: 4ft 7 1/2in (1.41m)

Top of wheelie bin store door height from ground: 3ft 4in (1m)
